FALL/78

STEWART ADULT EDUCATION

Welcome to another year of Adult Education Activities. As we are all aware, there has been a drastic change in our community over the past summer. As a result, we will need extra special co-operation and participation to make our year a success. On the next page, you will find a list of courses we will be offering beginning the first part of October. There is a \$20.00 registration fee for all courses except Air Brakes, Hydraulics and Mobile Welding where the fee will be \$45.00

If anyone has some special skill or training in any field, please contact us to arrange to teach a course. Instructors are paid.

If you have any questions or special problems, please do not hesitate to call the school at 636-2238.
