# KNOWLEDGE NETWORK

## CHANNEL 12

### Distance Education

Northwest Community College is working co-operatively with the Knowledge Network of the West Communications Authority (KNOW) to bring a variety of credit and non-credit programs to communities throughout the Northwest. These programs represent a wide range of general viewing for both children and adults, as well as telecourses of specific interest, and several live courses and seminars where telephone interaction is available. Anyone may view Knowledge Network programs and participate in educational television.

Knowledge Network program guides will be available at the College office in **early September**. We urge people who are interested in KNOW programs to write the Knowledge Network and ask to be put on its mailing list. Current guides and scheduling information will be sent directly to your home without charge. The address for this service is Knowledge Network, 2206 East Mall, University of British Columbia, Vancouver, B.C., V6H 1W5.

There will be a preview week on the Knowledge Network for courses being offered by various institutions in the province for the Fall 1982 season. A schedule will be arriving at the College soon and will be posted there. Please contact your Knowledge Network clerk at the Northwest Community College office for further information.

**A full-page insert of Knowledge Network programs and scheduling will appear in the "News Advertiser" the first week in September.**

For more information about the above courses, please contact Northwest Community College at 632-4766.
