## LEARNING UNLIMITED

Community Education Services is what Northwest Community College and the continuing education branch of School District #52 is all about. The two have joined resources in developing a program designed to offer as many courses and services as possible and as needed to the Prince Rupert - Port Edward area.

The college has just recently begun to expand its programs from its established center in Terrace, and this year participating school districts agreed to combine the local college coordinator's position with that of the Director of Continuing Education - a move that has streamlined methods and delivery systems.

Programs offered through the college and the school district are designed for the public in mind with an eventual goal to work in co-operation with other community programs offered through the region.

Most classes meet at the Prince Rupert Secondary School and the college campus above the Amante Furniture Store at 820 West 3rd Avenue during Monday, Tuesday, Wednesday and Thursday evenings.

Registration for all classes except academic will take place on Wednesday, January 12, 1977.

Those enrolled in academic arts must register the first night of class. Academic courses begin on Monday, January 10, 1977.

For more information on courses offered, future courses and registration, phone Coordinator Laurie Jones at 624-6054 or 624-9252.

Fees are payable at the time of registration. Cheques and money orders should be made payable to School District #52. Refunds will be granted only when courses are cancelled.

A husband and wife may register in a course for one and one-half times the regular fee. Usually, old age pensioners will be required to pay a registration fee of only \$2.00 for each course, however, where the fee includes cost of books or material, an additional charge may be necessary.

Fees totalling more than \$25.00 are income tax deductible. Please retain your receipts as duplicate receipts cannot be issued.

### SERVICES

Career counselling and information on educational training is available at the college campus in the Amante Building. A small library is also being set up with some material on vocational and skills training programs available.

# ACADEMIC

Head: Mr. Stan Persky. Ph. 635-6511

Admission: The College has an "open door" admissions policy - students do not have to be high school graduates to enter college academic courses. The courses are designed for adults who wish to further their intellectual interests and who may have left the formal schooling system some time ago as well as for recent high school graduates. The college promotes the concept of "lifelong learning".

All academic courses offered in the spring are continuations of a fall semester course. Registration will take place on the first night of the class or new registrations may be taken at the college campus in the Amante Building, 820 West 3rd Avenue, Prince Rupert, B.C.

Tuition Fees: \$25.50 per course per semester. Courses normally require two (2) semesters: Sept. - Jan. and Jan. - April. Senior Citizens 60 years of age and over are not charged tuition fees.

General: Classes for the next semester commence the week of January 10. All academic classes in Prince Rupert meet in the evenings from 7 till 10. Please refer to the College's calendar for more details of the College's programs and regulations.

# WORKSHOPS

Workshops, seminars and panel discussions on a variety of topics will be held periodically throughout the year, sometimes in conjunction with other groups and community organizations.

Both the School Board and the college are willing to sponsor and co-ordinate short courses of public interest which can benefit a great deal from a pooling of efforts and resources.

Among the ones tentatively scheduled are a one night seminar panel discussion on impaired driving and the physical and mental effects on the human body as well as steps leading to accidents.

Also scheduled for the new year are a number of seminars on local education and its role in the community. Some topics to be discussed are counselling, both in and out of school, the school system, the financial and operational problems and adult education's role in the community and in the school system.

If anyone would like to see a workshop or panel discussion set up on a particular topic, please phone 624-6054. We're interested in your ideas.

# EDUCATIONAL UPGRADING

## BASIC TRAINING FOR SKILLS DEVELOPMENT November to March

BTSD is an intensive daytime course offered by the college and Canada Manpower. The program offered here will give, on completion, a Grade 10 equivalency, especially appropriate for entrance into vocational training programs. Skills are developed in communications, applied science, mathematics and English. This course runs daily, Monday through Friday, from 8:30 to 3:30. Grants for wage substitution are available from Canada Manpower. Daily enrolment.

Instructor Marie Grinstrand

# EDUCATIONAL UPGRADING

## ADULT SECONDARY SCHOOL PROGRAM

This program is designed to enable adults whose formal education has been interrupted to complete secondary school graduation. Special regulations permit adults to graduate on completion of English 12, Social Studies 11 and five other courses, three of which must be at the Grade 12 level.

Only persons who are, at the time of application, nineteen years of age or older are eligible for admission. An eighteen year old who has been out of school for at least one year may be admitted with special permission.

Adults entering the program are able to take secondary school courses during the day at Prince Rupert Secondary School, in the evenings when courses are offered through Adult Education and by correspondence from the Provincial Department of Education.

Anyone interested in the program should phone Laurie Jones at 624-6054.

## GENERAL EDUCATIONAL DEVELOPEMENT TESTS

The Grade 12 equivalency test is aimed at adults who did not graduate from secondary school but have acquired skills, through work and study experiences, at or above secondary school level. The GED tests provide an opportunity for these people to earn an official document stating they have a Grade 12 secondary school equivalency standing, which may assist them in qualifying for better jobs, for promotions and in applying for admission to post-secondary educational institutions. Some people may wish to take the tests for personal satisfaction.

The tests are delivered in a series of the five comprehensive areas of English Expression, Social Studies, Natural Sciences, Literature and mathematics.

Persons applying to write the exams must meet the following three requirements at the time of application - minimum age of nineteen; at least six months B.C. residency, and out of school for at least one full academic year.

Application forms are available from Community Education Services in the Amante Building.
