WELCOME

School District No. 52 joins Northwest Community College in presenting a continuing education program that has been of interest to adults with varying educational goals, backgrounds and skills. Adults have participated in, and continue to support, courses for career development, job training, college credit, high school completion, university transfer, personal growth, and just plain enjoyment.

Most courses are held in the evening at the Senior Secondary High School on 9th Avenue West, or at the Community College Campus on 3rd Avenue. The Campus has three classrooms, a marine navigating room, office space and a study-lounge area with career planning material, a reference library and a fishermen's information centre.

This brochure outlines courses and programs offered by Adult Education and Northwest Community College.

ADULT UPGRADING

There are five ways to complete your high school education, brush-up on some academic skills, prepare for further training, or refresh your memory for personal satisfaction or to attain a job. Depending upon your goals, some programs are more suitable than others. After you have looked over the offerings listed below, the Continuing Education centre will be pleased to discuss your individual program. Phone us at 624-6054 to arrange an appointment at your convenience during the day or evening. Counselling is advised in order to choose the course appropriate for you.

G.E.D. TESTS (General Educational Development)

The General Educational Development test is a series of five comprehensive examinations in English Composition, Social Studies, Literature, Natural Sciences and Mathematics, which are designed to measure the applicant's major generalizations, ideas and intellectual skills normally gained through secondary school attendance.

Successful completion of the tests grants a B.C. Grade 12 Equivalency Certificate which is accepted by most employers and post-secondary institutes.

To write these tests, you must meet the following requirements at the time of application:-

1. At least 19 years or over;
2. Out of school at least one academic year; and
3. A B.C. resident for at least six months.

In order to assist participants in preparing for the tests, evening courses have been set up, or applicants may study on their own by using a GED review book. Tests are scheduled for:-

March 30th and 31st, 1979
Deadline for applications: March 12th

There is a \$5.00 non-refundable fee for the tests. Application forms are available at the Continuing Education offices.

ADULT UPGRADING

ADULT SECONDARY SCHOOL COMPLETION

Under the Adult Secondary School program, special regulations will permit adults to graduate upon completion of English 12, Social Studies 11, and five other credit courses from the Senior Secondary curriculum, three of which must be at the grade 12 level.

At this time, the program is not available through evening classes, however, adults may complete the program by attending day classes at the Prince Rupert Senior Secondary School, or by enrolling in British Columbia's correspondence program.

To be eligible for the Adult Secondary School program, applicants must be at least 19 years old and out of school for at least one year.

BASIC TRAINING FOR SKILL DEVELOPMENT (BTSD)

A program for adults who wish to upgrade basic academic skills to a grade 8 or 10 equivalency level to meet the requirements of apprenticeship or vocational training, prepare for employment or otherwise complete their formal schooling. Participants will study Communications (English and Life Skills), Mathematics and Sciences, as well as specific programs determined by the individual.

Students can enrol at any time during the course period, and will work at their own speed. Canada Manpower sponsorship is available to a limited number of eligible candidates by registering with the local Canada Manpower offices at the Pride of the North Mall, or telephone 624-9671.

Times: Weekdays, 8:30 a.m. to 3:30 p.m.

Place: Northwest Community College
Amante Campus

CORRESPONDENCE EDUCATION

Independent studies for general interest, specialized upgrading, or completing your education up to grade 12. A variety of courses are available through the provincial Ministry of Education. Correspondence courses are offered at the elementary, secondary and vocational school level. Tutors are assigned to each student to offer instructional assistance, grade papers, and generally be available for information. For more information, contact Continuing Education.

ARTS AND SCIENCES

The Northwest Community College, Arts and Sciences division, offers academic courses for university transfer credit, general and community interest, and as a career refresher for people working in a specific field, or planning to enter a training program.

The College has an "open door" admissions policy - you do not have to be a high school graduate to take academic courses. Anyone can attend.

This semester, a wide range of courses has been selected for adults who wish to further their intellectual interests, even if it has been a number of years since they last attended formal schooling. Recent high school graduates and people who are looking for a stimulating, non-credit course for general interest, will also find these classes of particular note.

UNIVERSITY TRANSFER PROGRAM: By attending evening classes for a three year period, students in Prince Rupert are able to complete the first two years of a general arts or sciences program, transferable to a recognized university.

Requirements for transfer credit to the equivalent of second year university standing in:-

1. Bachelor of Arts, general program, are:
two english courses, one science, and seven others, student's choice;
2. Bachelor of Sciences, general program, are:
one english, two sciences, and seven other electives.

A minimum of 30 credits must be attained to qualify for entrance at a third year level.

GENERAL INTEREST

SYSTEMATIC TRAINING FOR EFFECTIVE PARENTING (STEP)

Tuesday
7:30 - 10:00 p.m.

The Family Today: Today's parents who are participants in STEP have recognized and accepted the rewarding challenge of creating an effective, parent-child relationship that can grow and grow in an atmosphere of love, understanding, cooperation, and mutual respect. Learning more effective ways of relating to your children takes courage, practice and patience. Take the very first step now. BEGIN.....

- Step 1. Understanding your child's behavior and misbehavior.
 - Step 2. Understanding more about your child's emotions and yourself as a parent; recognizing the differences between "good" parents and responsible parents.
 - Step 3. Learning to use encouragement instead of praise, to build your child's confidence and feelings of self-worth.
 - Step 4. Improving communication by becoming an effective listener.
 - Step 5. Communicating your ideas and feelings to children; helping your children to explore alternative ways of behaving.
 - Step 6. Replacing reward-and-punishment with learning-from-consequences.
 - Step 7. Applying natural and logical consequences to the challenges of child-training; acting positively, rather than reacting negatively.
 - Step 8. Establishing family meetings that encourage democratic family relationships.
 - Step 9. Developing confidence and growing as a person, as well as becoming a more effective parent.

PEOPLE TALKING BACK

Tuesday
7:30 p.m.

Canada faces uncertainty on many fronts - inflation, unemployment, Confederation, national misunderstandings. The Pacific Association for Continuing Education (PACE) and the C.B.C. have combined forces to organize a series of television programs called "PEOPLE TALKING BACK" to examine these issues affecting our social, economic, cultural and political future. The television programs are scheduled as follows:-

Sunday, February 4th 5:00 - 8:00 p.m.	Sunday, March 25th 4:30 - 5:00 p.m.
Sunday, February 18th 1:00 - 1:30 p.m.	Sunday, April 8th 4:30 - 5:00 p.m.
Sunday, March 4th 4:30 - 5:00 p.m.	Sunday, April 22nd 4:30 - 5:00 p.m.

If you would like to get involved, to form a discussion group, or to LEAD a group, or to JOIN a group, please meet at Prince Rupert Sr. Secondary School, 417 - 9th Avenue West, on Tuesday, January 16th, 7:30 p.m.

If you would be willing to act as a discussion group leader, please phone the Adult/Continuing Education Offices at 624-6054, and leave your name and phone number. This would be appreciated.

The issues facing us are too important to be left to the politicians and the media, so please come out and take part. Discussion groups will be formed that will enable us to examine our problems, exchange differing views and consider options. Background reading materials, discussion aids and leader kits are available.

During and following the television programs, opinions will be phoned in from discussion groups to provincial feed-back centre that will collate and transmit summary opinions to the centre transmitting the television programs. Let us not just worry or complain about our problems, but try to find a way to overcome and make Canada a better place to be.
