ARTS AND CRAFT CLASSES AT THE CENTERING PLACE

Terrace is very fortunate in the establishment of a new business which will cater to the needs of people who want to develop their skills and talents in various arts and crafts. There is also provision being made for people who want a place where they can work on their projects. Mrs. Eva Bebington will attempt to satisfy as many of these needs as possible.

The Centering Place will have equipment for pottery, jewellery making, leather craft and just plain work areas for many arts and crafts. The Centering Place is located at #102-4622 Greig Avenue across from the Co-op.

Mrs. Bebington will be instructing the following classes in arts and crafts.

BEGINNING JEWELLERY

An exciting craft that you may want to continue as a hobby or for extra income. Learn the basics of small metal work - sawing, filing, silver soldering, stone setting, buffing, polishing, and finishing processes. Silver and copper by the square inch will be available. Most beginning projects will run \$5 or under for silver.

Night: Tuesday: 7:30-9:30 p.m. (May be changed if two classes needed)

Place: The Centering Place (see above)
Instructor: Mrs. Bebington
Fee: \$17.50 No. of sessions 10

BEGINNING POTTERY

Learn the basics of working with clay - a material as old and wonderful as the earth itself. Several hand-building processes will be taught and you will have a chance to get a start on the potters wheel. There will be a small charge for firing. Material will be available for you to purchase. Probable material costs will be up to \$15.

Night: Wednesdays, 7:30-9:30 p.m.
Place: The Centering Place (see above)
Instructor: Mrs. Bebington
Fee: \$15 No. of sessions 10

ADVANCED POTTERY

For those past the beginning stages who want to continue with the craft. Please come on registration night, put your name on a list and discuss various workshop arrangements. A meeting will be held the following week to work out ways to meet your needs.

BEGINNING SCULPTURE

Have you ever had an urge to try your hand at carving or modeling? This class will give you a chance to find out more about yourself as well as about sculpture. The class will introduce you to the two main types of sculpture: modeling and carving. There will be a modeling project in clay and a carving project done in a plaster compound. You will learn to mix your own inexpensive carving compound and several ways to finish sculptures.

Night: Thursday, 7:30-9:30 p.m.
Place: The Centering Place (see above)
Instructor: Mrs. Bebington
Fee: \$21 (includes materials)

DAYTIME ARTS & CRAFTS CLASSES

If school time frees a few hours for you, try a daytime craft class for recreation and making new friends. SHIFTWORKERS may find this as a means for keeping up with an evening class! Those who enroll may choose jewellery, pottery, or sculpture as described for evening classes, or leather work. Leather costs could run up to \$10 depending on projects.

DAYS: Tuesdays, 9:15-11:15 a.m.
OR Thursdays, 1:00-3:00 p.m.
Place: The Centering Place (see above)
Instructor: Mrs. Bebington
Fee: \$15 No. of sessions 10
(Materials will cost extra)
